

✦ *Edgewood Children's Center*  
*Nursing Office*

Dear Parent,

The nursing staff at Edgewood Children's Center believe that children work their best when they feel their best. Sometimes, children have minor ailments that can be treated at school. For your convenience, if your child should need over the counter medications after being assessed by the nursing staff, listed below are the medications we have in the nurse's office. Please read each one carefully, circle **yes** or **no** for each medication, and sign the bottom of the form. Please have your child return this form to the nursing office.

- |     |    |  |
|-----|----|--|
| YES | NO | <u>TUMS - 2 chewable tablets</u> -Indigestion, gas, stomach upset  |
