Saturday, Aug. 29 2009

The boards of Boys & Girls Town of Missouri and Edgewood Children's Center of Webster Groves gave joint approval this week to merge the two long-standing children's agencies. With a projected \$31.8 million budget, the new organization will provide foster care management, counseling and residential services for 7,800 children and family members annually from four regional campuses. It will employ 735 staff members, including all existing employees, said spokeswoman Marie McGeehan.
