## **Edgewood Children's Center Receives \$300,000 Grant**

*William R. Orthwein, Jr. and Laura Rand Orthwein Foundation Grant to Fund New Roof*

ST. LOUIS, MO—(January 9, 2008) The William R. Orthwein, Jr. and Laura Rand Orthwein Foundation has awarded Edgewood Children's Center a \$300,000 grant over a four-year period for the installation of a new roof for Edgewood's Day Treatment/Special Education Building.

Stable and secure facilities are a critical element of providing therapeutic treatment and special education to the children served on Edgewood's Webster Groves-based campus. As a result of the Orthwein Foundation's generosity, Edgewood will be able to continue to offer high-quality special education and treatment to children with severe emotional and behavioral disorders.

Established in 1834, Edgewood Children's Center provides compassionate care and treatment to restore children and strengthen families through intensive therapy, special education, case management and support services.
